- (a) A lower-cost light meter is the Sekonic L-308S, price approx. \$208
 (b) A lower-cost tripod is the Benro HD1, price approx. \$141.75
 (c) A lower-cost external hard drive is the Western Digital 1 TB, price approx. \$78
 (d) Camera options: Canon 80D with 18-135 lens \$1599 or Sony A7 with 24-70 lens \$1399.99
 (e) If interested in using another manufacturers camera, obtain pre-approval from lead photo instructor (drew.simcox@antonelli.edu)

- Students may find better prices than Antonelli school store prices, especially for bulk purchases.
- All items in the kit are needed on the first day of the semester listed above.
- If ordering through the school store, you must place your order for the first semester kit **no later than July 15** to receive discount and to assure arrival by the first day of the 1st semester.
- OTHER COSTS (matte boards, paper, film, portfolio, portfolio box, website, field trips): Please be reminded that supply costs (over the cost of the sole kit purchased prior to the first semester) will total approximately \$850-\$1025 for the first academic year and \$1550-\$1700 for the second academic year (see the Interview Book given to you during the Admissions process and the Academic Catalog).
- Prices subject to change.

When ordering, please email orders@antonelli.edu. Be sure to include your first and last name and note which semester photography kit that you are ordering.
